

## **Civilian Emergency Response Team (CERT IS-317)**

**Individuals will be exposed to a 20 hour IS -317 CERT course as instructed by a New Hampshire Fire Academy affiliate instructor.**

**The course covers a variety of topics including:**

- \*Home Emergency preparedness**
- \* Workplace Safety**
- \*Light Search and Rescue**
- \*Basic First Aid**
- \* Fire Safety**
- \*Community Emergency Awareness**
- \*Chemical and Biological Responses**

**The IS-317 course is reinforced with some hands on drills and Field Day exercise.**

**This course is sanctioned by the NH Fire academy which issues a certificate upon completion.**
